SUBJECT: Lecture, "Photographic Intelligence"

DIA review(s) completed.

TO: Director of Training
Central Intelligence Agency
Washington, D. C.

Dear Sir:

1. In our letter of 31 May 1963 we requested lecture support for the next Strategic Intelligence phase of the Attache and Strategic Intelligence Classes. We would like, at this time, to add one additional requirement to our initial letter. This class, "Photographic Intelligence," is to be scheduled on Wednesday, 10 July 1963, during the period 0830 to 0920 hours.

2. This class you will note follows Mr. [redacted] class on the STATINTL previous day during which time he discusses "The Organization, Mission, and Functions of CIA." Our objectives for this class are to provide the Strategic Intelligence students with background information on photographic intelligence as source material to be used in the production process, the importance of this type of intelligence, and a very brief coverage of the agencies and activities currently responsible for production of intelligence of this type.

3. This class has been informally discussed between Mr. Arthur Lundhall and Lt Col Jones of this office. If these arrangements meet with your approval, it is requested that Lt Col Jones be authorized to make direct communication covering this class.

Lundhall
Sincerely yours,

Lee Wallace
